Deep Coral set cut in 100% Linen is beautifully detailed with jantacking, embroidery and 3 dimensional floral appliques. The jacket is 24" long and has three-quarter length flared sleeves elaborately embellished with embroidered details of mesh that give a flounce effect. Pin tucks run down the center front of the jacket and neck and hem are finished with even more beautiful embroidery. Only Donna Vero gives you this quality of detail. The 32" skirt has graceful pleats embroidered and accented by 3-dimensional floral appliques.

Walls and floors and all things that are never so out of style for the season, flowers are all the rage on the runway. The ultra feminine and fresh Dolce Vita features all of the most important details of the season: the classic 26" linen jacket is embellished with rich satin stitch embroidery and flowers of their own. The body of the 33" skirt is also, but it ends in a cascade of soft and elegant ruffles, accented with subtle embroidery.
